Purpose & Project Focus

Build a 2D multiplayer fighting game where **attack**, **defense**, and **evasion** are all viable at once, with **adaptive match conditions** and **readable status effects**. Semester-1 delivers an online 1v1 vertical slice; Semester-2 expands content with animations upgrade and hardens online play with rules.

Meetings (Timing & Frequency)

- **Weekly Sprint Planning:** Wednesdays, 3 PM – 7 PM EST Weekly (In-Person, Task Update + Next Tasks)
- **Weekly Playtest/Review:** Fridays, 4 PM – 6 PM EST Weekly (Merging/Testing remote build)

If a member cannot attend, post notice > 24 h ahead (except emergencies) and share a written update. Meeting Times are bound to change as the semester progresses, and all team members have their schedules confirmed. Faculty Advisor May/May not be a part of the meeting but would receive a monthly email with project progress.
